

Food for Thought Program = FREE \$\$\$ for APA

What's the program all about?

APA earns **FREE** money when you purchase a Food Lion, Piggly Wiggly, Fresh Market or Lowes Foods Gift card from the Mothers' Committee. How much? APA has earned **THOUSAND\$** through this program without incurring **ANY** out of pocket costs to our participating families. It's that simple. Send payment in the provided envelope at the end of the month, the cards are sent home the first Thursday of the next month.

How are the gift cards used?

Gift cards are debit cards. Each time they are used, the amount spent is deducted from the original card value. The remaining balance will appear after each purchase and depleted cards are discarded. We record every card number, so if you ever have a problem with a card it can be easily tracked.

Who should purchase gift cards?

ANYONE WHO BUYS GROCERIES AT FOOD LION, FRESH MARKET, PIGGLY WIGGLY, OR LOWES FOODS SHOULD PURCHASE GIFT CARDS! It is **FREE** money for our school. They are also great for high school and college students or as gifts. Last year, we had nearly 150 families participate and we want to increase participation this year.
